From Chairman Desk...

“ Education is the manifestation of the perfection already in man, and character is the test of that manifestation.”

- Swami Visvananda

1 Firstly, I would like to extend a hearty welcome to all students and parents, both present and prospective, who have shown a keen interest in Seemanchal Minority B.Ed. College. College has been one of my most cherished dreams which are now on the threshold of their completion, thereby setting a trend of such cult in Bihar. The goal of teacher training education is man-making. It is the overall development of personality.

Teacher training education thus aims at the development of 3Hs-Hand, Head and Heart. At SEEMANCHAL MINORITY B.Ed. COLLEGE, we enable the students to develop and nourish their hidden talents by exposing them to diverse opportunities and varied activities. We teach them to be confident, creative and independent. It is our endeavour to inculcate moral, cultural and spiritual values in our students.

I am confident that Seemanchal Minority B.Ed. College is on the verge of becoming a premier institution, amply fulfilling the education aspirations of the enlightened parents who bring their students to our portals.

(Zakir Hussain)

From Director's Desk...

"The highest education is that which does not merely give us information but makes our life in harmony with all existence"

– Rabindranath Tagore

2

Seemanchal Minority B.Ed. College, Katihar has been established to encourage Teacher Training Education, to develop the educational system and environment of the state of Bihar (India). We aim to prepare a knowledge workforce comparable to the best in the world through instruction in the cutting edge teacher education.

Our Institution is committed to provide quality education in the field of Teacher Training Education. Seemanchal Minority B.Ed. College intends to focus it, human and material resources on research and innovation. Our elegant faculty and painstaking students are committed to provide high quality reseats and help our society, state and country to grow up on International field of Education. I am looking forward to welcoming you in Seemanchal Minority B.Ed. College.

(Md. Iftakhar Alam)

From Principal's Desk...

"Education in the understanding of citizenship is a short-term affair if we are honest and earnest"

- M.K. Gandhi

Educational Institutions are the integral part of our society without an educational institutions we cannot think of a civilized nation. Our children (student – teachers) are good bricks to be laid for their foundations.

Seemanchal Minority B.Ed. College is committed to meet the challenges of the present day need of the society. We promise to impart education with all modern facilities and excellent teaching facilities. Our goal is to enable students to be enlightened & innovative teachers of modern india.

(Dr. Rajeev Kumar Pandey)

Mission & Vision

We realize that education is fundamental for the complete development of individuals. As a premier teaching institute, we endeavour to harness this inherent potential through meeting the growing needs of higher technical education. As we grow, we will expand into new technologies, methodologies, disciplines, resources and even attitudes.

To achieve this college will ensure the highest quality of faculty, resources and infrastructure. These will be a structure with a focus on academic excellence and versatility in approach that will meet the ever-increasing needs of the students. Supporting this is the Institute's commitment to education. This will encourage and assure students in their pursuit of knowledge.

All this is a reflection of the Institute's responsibility to build a society that is vibrant and growing through knowledge sharing and enhancing.

Our Vision

- Academic integrity and accountability
- Sincerity, dedication & team work.
- Tolerance towards the views of others.
- Intellectual, excellence and creativity.
- Activities that promote public good, democratic principles of freedom and justice.
- Unfettered spirit of exploration, rationality and enterprises.

Our Mission

- To provide experience-based learning for multifaceted development
- To set standards for professional preparation of educational leaders
- To foster innovative and responsible integration of technology in education.

Objectives

- To prepare committed teacher for schools for the state of Bihar and the country.
- To prepare well equipped teacher to teach in secondary and senior secondary stages in schools.
- To offer and all round training i.e. mental, physical, cultural, social, moral and spiritual.

About Us

Teachers play a very important role in a student's life. It's a teacher who guides a student through his or her career. So it is very significant to be adequately equipped with resources that will create the teacher and ideal role model to the students.

To achieve this, B.Ed. courses are introduced, which will teach a person about teaching and different aspects associated with it.

The National Council of Educational Research and Training (NCERT) has been given different types of works covering approximately all aspects of teaching education and quality improvement in teaching education.

The National Policy on Education (1986) and its revised version (1992) says that the status of teachers reflects the socio-cultural philosophy of a society.

The College is co-educational and at present it has a capacity of 100 students. Seemanchal Minority B.Ed. College which began as a small building today possess an efficient infrastructure which includes spacious and well lit classrooms, Science laboratories and a language lab, library, computer lab, Seminar & Multipurpose hall and a spacious ground.

The college has a well-stocked library possessing a rich collection of books and journals that cover the B.Ed. syllabus as well as reference books in various subjects.

Aims & Objectives

- To evolve as a model institution for teachers education with global standards.
- To turn out trained teachers of secondary and higher Secondary levels of education.
- To arrange congenial classroom situation for effective teaching.
- To strengthen professional excellence of the Secondary and Higher Secondary teachers in teaching various school subjects.
- To develop professional responsibilities and performance of the teacher in the Indian context.
- To build not an educated head but also educated heart.
- To enhance the level of confidence of teachers in the classroom teaching.
- To encourage the students in achieving the supreme goal of education.
- To strive for excellence and quality assurance in teacher education.

The Campus

Situated in lush green surroundings, the college is treat for the eyes and the subtle aesthetic of you. A library is situated in the campus.

Facilities

Equipped with facilities such as Canteen, Fresh Water, Internet Facilities, Electricity Facilities, Xerox facilities etc. You will find that it is self-sufficient in every possible way and way more.

Science and Mathematics Resource Centre

6 Science is not only knowledge but also an art. This art is explored, experimented & practiced in Science Resource Centre. Science cannot be taught effectively without testing, Experimentation & demonstration of the scientific facts. Science Resource Centre is the place & means with the help of all these necessary activities can be performed smoothly & effectively. Maths resources centre is a place where students can learn & explore mathematical concepts verify mathematical facts & theories through a variety of activities using different materials. These activities may be carried out by teachers or students themselves to explore, to learn, to stimulate interest & favourable attitude towards Maths. These aims are fulfilled by Science & Maths resource centre setup in the college. Various experiments had been, models & charts are prepared by students and extension of lectures are delivered by educationists.

Psychology Research Centre

In any scheme of study there should be a close integration of theory with practice. We have a curiosity to know intellectual level, interests, aptitudes, personality, adjustment etc. We can know such things about them through their measurements & this measurement is possible through relevant psychological tests. The college has a separate psychology Laboratory which has sufficient psychological apparatus, tests, transparencies and CD's which are related to various aspects of human development and teaching learning process for conducting psychology experiments included in the B.Ed. syllabus.

Health and Physical Resource Centre

College has a fully equipped health & physical resource centre, it provides ample opportunity for student to indulge in indoor & outdoor sports activities. The students can avail of indoor games like chess, carom-board & outdoor games like badminton, volley ball. Our mission is to provide students with adequate resources to excel in sports by creating environment which imbibes ethics of sportsmanship. College aims to develop professional competence through physical, emotional development for benefit of students.

Language Lab

Language lab is set up in college because it is not only a place where learners perform language experiments but it is a special lab where language experiments can be practiced by speaking & listening with the help of sound equipment. It recognizes the individual differences and language aptitude of learner. It is self-learning device, designed in such a manner that a student can practice carefully produced pattern of drills. College is well equipped with microphones, LCD projector with screen, CPU & many CD's to learn & speak English fluently.

ICT & ET Laboratory

The college has a newly-renovated state of the art computer laboratory with Internet connection facilities. The laboratory has 20 personal computers with the latest configurations especially for the use of the students. The laboratory is also equipped with Scanning and Printing facilities. The college also has Overhead Projects, Audio Equipment, a VCD player and Television, and such other equipments which are often used in the teaching-learning process. The laboratory is looked after by a qualified teaching assistant who provides technical support also.

Art & Craft Resource Centre

A well equipped art & craft resource centre is established in college because canvas is the mode to express the inner feelings of students. It is said that colour speaks it-self. Art is a soul of life, creativity is cultured with opportunities extended to the students in many forms. All the possible facilities & opportunities are extended to the students in many forms. All the possible facilities & opportunities are extended to our students to engrave their minds & creativity.

Library

The institution has a well defined set of vision, mission and objective. The library complies with them and has an open-access system. The Library provides service to the faculty members and students. In this regard, the library is supported by Encyclopedia. The library subscribes to journals and periodicals including magazines, and newspaper. The library is constantly enriched and new material is added to keep abreast with latest changes and advancements in the field of education. For the convenience of the readers, photocopying.
